

Graduate music history placement test results for fall 2009 appear below. In order to get results out quickly and to preserve confidentiality, results are sorted by the last four digits of your eight digit URID. Questions about placement results can be directed to the Music History department. Additional information will be provided at the advising sessions on Thursday August 27.

The "REC" notation in front of a course means that the course is RECOMMENDED, but not required to graduate. The REQ notation means that the course is REQUIRED for graduation. The notation "ok" means there are no special music history requirements beyond published degree requirements.
