

02.06.07 Special Accommodations for Students with Disabilities

Description

02.06.07 Special Accommodations for Students with Disabilities

Students with medically documented disabilities should contact the Disability Access Coordinator in the Office of Academic Affairs at least seven days prior to their arrival at Eastman to make appropriate arrangements. Students with disabilities are encouraged to assess their needs realistically, to take advantage of appropriate support, and to be clear and precise about gaining assistance. Additional information is available [here](#).
