

04.00.03 Re-admission to the Undergraduate Degree Program

Description

04.00.03 Re-admission to the Undergraduate Degree Program

Students who have not been continuously registered for more than one semester, or students who have been on inactive status for more than four semesters, must re-apply for admission and re-audition for studio placement. Applications will be assessed on a case-by-case basis in consultation with the Office of Academic Affairs. Students readmitted to a degree will be required to fulfill the requirements in their program of study that are in place at the time of their readmission. Exceptions to this policy will be considered by petition to the Associate Dean of Academic Affairs on a case-by-case basis.

Documentation for the reasons or circumstances for the student's absence must be given; in addition, extra materials (such as tapes or CDs, research papers, and the like) may be required by the department. *(Update approved by Undergraduate Curriculum Committee 2/5/2009).*
