

04.13.05 Financial Aid and Academic Probation

Description

04.13.05 Financial Aid and Academic Probation

Students may be placed on a Financial Aid and Academic Probation as the result of a successful suspension appeal. A detailed academic action plan will be established by the Office of Academic Affairs and will define the conditions necessary for the student to regain Satisfactory Academic Progress.

Students who meet the requirements of the academic action plan will have regained Satisfactory Academic Progress and be in good standing. Should a student fail to meet the requirements of the academic action plan, they will be dismissed.
