

04.13.09 Dismissal

Description

04.13.09 Dismissal

In cases where it is evident a student is not able to demonstrate the minimum expected standard of performance, or has not been able to remove him/herself from a final probationary status as required by the Office of Academic Affairs, the student will be dismissed from studies at the Eastman School of Music. Once a student has been dismissed, he/she may not be permitted to re-apply for future undergraduate study. Under extreme circumstances, this may extend to graduate study as well.
