Description

04.14.02 Graduation Honors

Honors candidates for the Bachelor of Music degree with distinction will be limited to the top 33 percent (and ties) of the graduating class. They are allocated as follows:

- Highest distinction: top 3% and ties
- High distinction: the next 10% and ties
- Distinction: the next 20% and ties

Honors are calculated at the end of the fall semester of the year in which the student is graduating. To be considered a candidate for such honors, a student must have completed at least 60 semester hours in residence and must show no unfinished “incompletes” on his/her record.

Note that for dual degree students, any determinations regarding honors will be dependent on the student’s primary campus.
