Description

07.02.07 MA – Major in Ethnomusicology

[Degree requirement checklist for MA Ethnomusicology](#)

Prerequisites: The prerequisite for entrance to the MA in Ethnomusicology degree is a bachelor's degree with at least one undergraduate course, or equivalent, in world music. Ethnomusicology candidates will be interviewed and admitted to the Musicology Department via the same process as incoming musicology students, which includes, among other things, the evaluation of writing samples. If remediation is required, the appropriate courses are taken, but their credit does not count towards the master's degree program of study. The same is true of any English language instruction that is required.

Residency: At least one year of full-time study is required. See section 05.01 ([Residency](#)) for more information.
