

## Master of Music Conducting – Orchestral Advising Worksheet

Students in the Master of Music in Conducting (Orchestral) degree may use this checklist to complete a self-assessment of their degree progress. A student can log into UR Student and access their academic history in order to fill this document out to determine if they're on track to graduate or see what remaining requirements they have left. Students can schedule an appointment with Mr. Peterson in the Office of Graduate Studies at any time to verify their degree progress and address any concerns or questions.

In order to graduate from the Eastman School of Music and the University of Rochester with this degree and major, a student must complete a minimum of 34 credits.
