The **Eastman Latino and Hispanic Student Association (ELHSA)** is dedicated to promoting social and educational events that empower students to integrate and thrive within the Eastman community. Our mission is to foster a multicultural, inclusive, and democratic environment for all students while celebrating and nurturing Latin American culture.

Through collaboration and support, we aim to enrich the Eastman experience and create lasting connections among our diverse student body. We invite everyone to join our association as we work together to celebrate and promote Latin American and Hispanic cultures.

*We acknowledge with respect the Seneca Nation, known as the "Great Hill People" and "Keepers of the Western Door" of the Haudenosaunee Confederacy. We take this opportunity to thank the people whose ancestral lands the Eastman School of Music of the University of Rochester currently occupies in Rochester, New York.*
